Ten Cents

The DIMMER VIEW

Ole for Santa Claus

For the tenth consecutive year, journalists from San Diego County will sponsor Operation Orphan, Sigma Delta Chi's annual Christmas project.

Sigma Delta Chi is the national professional journalistic society and the San Diego Chapter is made up of the majority of all the newsmen in the county. It is the only project the chapter undertakes which is not strictly connected with professional newsgathering.

Operation Orphan involves fulfilling the Christmas wishes of the girls who live in the House of the Good Shepherd orphanage in Mexicali. This is done by requesting a letter to Santa Claus written by the individual girl and which is sent to us for distribution. The letters are written in English on a blackboard and the girls are asked to copy the sample containing what they want and need most. The school is at Avenida Medro and G streets.

Customarily they ask for either a sweater, material for a dress or a pair of shoes, plus various odds and ends like combs, brushes, undies, etc. The usual cost of the total request runs around \$7 to 10, give or take a buck or two and depending upon what items the girls want to add.

Many Sigma Delta Chi members already are involved and have been participating since the onset of the project. They collect all the gift packages and just before Christmas load them into trucks and take them to the orphanage.

Last year about 50 persons made the trip — including one of the merriest Santa Clauses we've ever known — a well-known sportsman named Tony Gerhard, of San Diego. He is also keeper of the press room dining facilities at the San Diego Stadium.

The project started during one of the annual Mexican-American press soirees at an old casino south of Tijuana. While we were in the casino enjoying the festivities, someone noticed a group of little girls milling around the yard. Bill Giandoni of Copley News Service and others investigated and learned we had taken over the temporary sleeping quarters of about 40 orphan girls who were on the coast enjoying the ocean through the generosity of a Mexicali bus owner. They were staying in the casino, but had to get out while the press party was under way.

We learned that the girls, ranging in age from 2 to 18, lived in the House of the Good Shepherd and did not celebrate Christmas with a gift exchange, because they were too poor. The nun in charge was asked to have the smaller children write letters to Santa requesting their needs with the promise that we would try to get them fulfilled.

Resulting publicity from friendly newsmen made it easy to dispose of the few letters, so all the 150 girls in the orphanage were asked to write letters. They did and eventually they were distributed. We took the gifts to the orphanage and gave the girls their first Christmas in history at which they received something brand new.

We later learned that the girls are taught to sew, but that only one sewing machine was available to them. A little friendly publicity brought in 68 machines, which we took to them. They had to build a building to house them and the girls now are accomplished seamstresses.

This year the need is great for electric irons.

The project has continued through the help of many and through the generosity of many — and it is going on again this year we have the letters to Santa and will distribute them to anyone who would like to participate.

If you would like a letter, or would like to help in some other way, simply contact us and you will be accommodated. If you would like to help but can't do the shopping, financial aid is welcome and someone will do the shopping for you.

Extra cash is used for turkey, ice cream, a tree, or whatever happens to be needed at the orphanage. This year there is a need, as usual for blankets, sheets and pillowcases, new or used, since the temperature falls below freezing out there. Only the smallest girls ever taste milk — and then only one glass per week, except when we come to the rescue.

Call our office at 469-0101 and give Lana Holder, the office secretary, your name and address and you will get a letter. Packages may be left off here for delivery in mid-December. The office is at 7834 Lester ave. in Lemon Grove. Last year local people gave two pick-up truckloads. These packages and bundles were later loaded into a huge van. Those of us who made the trip got back more than we gave, because these little orphan girls, some pregnant ones as young as 13 years, are loving and lonely.

It's a simple and inexpensive way to spread a little Christmas cheer where it is really needed and appreciated.

Anyone who wishes to make the Christmas trip is cordially invited.

Duffy, Miller Winners In Tight Campaigns

John Duffy became sheriff and Ed Miller became district attorney in two of the hardest fought campaigns the county has ever experienced.

Sheriff Duffy beat Sheriff's Chief Deputy Warren Kanagy 186,260 to 185,058 with a mere 1,200 votes separating the two. The totals represent all of the precincts and are semi-official.

Ed Miller, former U. S. Attorney overcame a huge primary deficit to beat the assistant district attorney Bob Thomas 189,696 to 182,591.

It was thought by political observers that the support of the retiring officials hurt rather than helped in both of the above campaigns.

Joe O'Connor is the retiring sheriff and Don Keller is the retiring D.A.

U. S. Congressman Lionel Van Deerlin was a shooin

with 72 per cent of the votes cast. He defeated James B. Kuhn, a certified public accountant by 93,142 to 31,669.

Claire Burgener was re-elected state senator with 70 per cent of the total vote cast. His nearest competitor, H. F. Larson in the 38th Senatorial District.

South of here, Supervisor Henry Boney was trounced by incumbent James Mills for the 40th District State Senator's post. Mills garnered 58,415 votes; Boney 25,767, or 30 per cent.

In the 77th Assembly District Wade Deddeh was re-elected with a 70 per cent vote. He racked up 50,356. His opponent, Bill Brink, a realtor, got 20,664.

County Proposition A passed by 63.7 per cent. Prop. A is

Post Office Offers Advice For Christmas Mailings

Frenchy Faucher and Bill Fitzpatrick, postmasters of Lemon Grove and Spring Valley respectively, jointly listed six tips on how local residents could help meet tight Christmas budgets this year by careful mailing of cards and parcels.

1. For servicemen overseas — "SAM" (Space Available Mail) Christmas parcels can be sent until November 20 for only the small domestic parcel post charge involved from here to East or West Coast points of embarkation for military mail. Parcels up to 5 pounds and 60 inches in combined length and girth are accepted at this low rate.

2. Larger parcels (up to 30 pounds with the same length and girth limitations) can be sent as "PAL" (Parcel Airlift) mail, provided they are mailed by November 27. The charge is only \$1 per parcel, plus the regular domestic parcel post postage — much less than charges that would apply later if straight airmail service must be provided.

3. For all packaging, invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.

4. Insure parcels realistically to cover full value but do not over insure. A \$10 gift, for example, can bring only \$10 compensation, if lost, even if "insured" for \$100.

5. Get plenty of stamps on your first trip to the post office to avoid the time and expense of additional trips.

6. Use ZIP Code as a tool

for economy in mailing. When it is used consistently on parcels and cards, ZIP Code helps prevent errors in delivery and expedites handling. If only a few Christmas cards go astray, an investment of several dollars may be lost, for example.

The key to efficient Christmas mailing is to mail early and carefully postal officials said.

Materials Taken From Jamul Storage Shed

A storage shed at Jamul Las Flores School was burglarized October 25, and over \$700 in merchandise was taken.

According to Sheriff's Department reports, a lock was broken on the shed, and the area surrounding the shed appeared to have been swept with brush, covering up any footprints that may have been left.

Missing from the shed was an electric drill motor, valued at \$100, 30 boxes of no. 14 copper wire, four boxes of no. 10 copper wire, and 30 boxes of no. 12 copper wire, and some other odd scraps of building materials.

Local Men Get Year In Honor Camp For Attempted Robbery

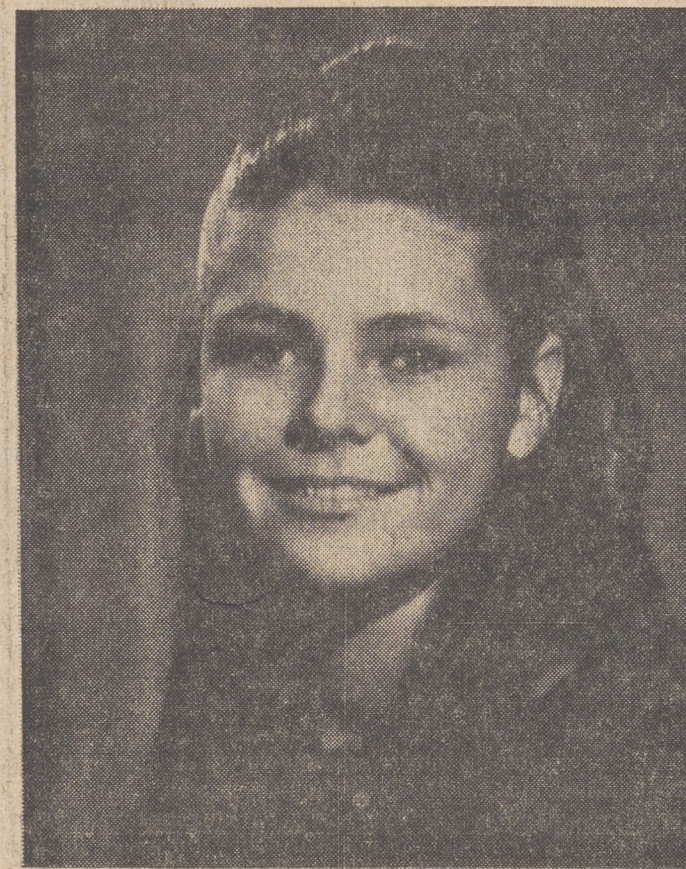

SAN DIEGO (CNA) — Two Spring Valley men were ordered to the honor camp for a year after a probation hearing Thursday in Superior Court before Judge Robert W. Conyers. Action on the fate of a third was held up by the judge for further study.

The three are Michael D. McCoy, 23, a machinist, of 4110 North Bonita; David A. DuPaul, 21, a brick mason, of 3660 South Bonita, and Richard A. Baker, 26, a carpet layer, of 9362 Campo rd.

McCoy was the one on whom Judge Conyers delayed a decision.

The three were found guilty of the attempted robbery of a Point Loma market on May 21.

The store clerk, testified that two young men came into the store with silk stockings covering their faces, while a third remained outside, also with his face covered. One of those inside had what seemed to be a .45 auto-

PRINCESS — Debbie Holland, 16, daughter of Mr. and Mrs. C. E. Holland, 3951 Rogers rd., Spring Valley, was named 1970 Princess of the Mother Goose Parade, to be held November 22 in El Cajon.

A junior at Monte Vista High School, Debbie was crowned by 1969 Princess Perri Luper at the Coronation Ball Saturday night at the El Cajon Elks Club, capping two hours of judging earlier in the day and three weeks of competition among 58 entries.

matic pistol in his belt, the witness said.

"Give me all the money in the cash register," the clerk testified one said. But, when told there was no key for the register, the witness said the youth answered: "This is only a joke anyway."

The three sped off, the clerk said, in a late model fastback car, with a black top and an orange bottom.

The three were in such a car when picked up later by police. Silk stockings and a pellet pistol were found in their car.

They pleaded not guilty, but

the jury found them guilty. McCoy and Baker have been at liberty on \$500 bond, but DuPaul has spent 157 days in the county jail.

Judge Conyers gave Baker credit for this time, to be deducted from his year at the honor camp. In addition to the latter, each of the men were put on probation for three years.

Rotary Members On Sub Trip

Members of the Lemon Grove Rotary club were "sailors" aboard the submarine CATFISH Friday.

The boat submerged soon after 9 a.m. and surfaced 12 miles out to sea. The crew prepared a steak barbecue on deck which was served to the visitors' picnic style. The CATFISH docked at 4:30.

The trip was arranged by Col. Thomas S. Clayton, past president of the local club and past commander in chief of the Military Order of the World Wars.

Lyle Stumbaugh, president of the Rotary club, listed club members who made the cruise:

Dr. John Chase, John Penery, Dan Thren, Roger Verbiest, Robert Guest, Max Goodwin, Quentin Cash, Quinn Hornaday, Truman Salberg, Lee Nemecek, Meyer Zung in addition to Clayton and Stumbaugh.

To Take First Step For Official Recognition

The first step in official recognition of the Lemon Grove Planning Association, and an official Lemon Grove plan, will be taken Friday at 11 a.m. in the Supervisors' chambers in the County Administration building 1600 Pacific Coast Highway.

The organization and the proposed plan, already approved by a pro-tem organization, which has been meeting almost every month since June, will be considered.

The group has been guided by the Community Planning division of the County Planning Department. If the Planning Department approves the program Friday, both the organization and the plan it originated will be reviewed by the Board of Supervisors. At that time, more than likely, it will be given official status.

The organization has been guided through the formation

by James V. Dorman, attorney, as chairman; Al Woods, a banker, and Ben Ela, an engineer, as vice presidents; Frank Shughrue, a banker, as treasurer, and Evelyn Taylor, a medical secretary, as secretary.

The local association, once it is officially approved, will be the voice of the community for planning and development. The group will not have planning or zoning authority but will be responsible to the Planning Department.

"Instead of having individuals seek to get these things approved individually, it will now be possible for them to have the backing of the Association and the Association will have official recognition of county government," Dorman said.

The Association will help with requests that fit within the framework of the community plan yet to be developed by the general membership, Dorman pointed out.

The Association will meet monthly and any local resident, or person owning local property, may become a member by attending one of the meetings. Mailed notices and notices in this newspaper will advise interested persons of meeting time, place, and dates.

Interested persons are urged to attend Friday's meeting whether they are members of the Association or not.

Christmas Seals Come By Mail Only, Says Buzzie Bavasi

Christmas Seals, the historic fund-raising device of the nation's anti-tuberculosis associations, are distributed by mail only. Buzzie Bavasi, chairman of the 64th Annual Christmas Seal Campaign for San Diego and Imperial counties, reported.

"Although Christmas Seals were originated by a Red Cross worker in 1907 to finance a tuberculosis hospital," Bavasi said, "and although Seals have been used in the Yuletide season ever since to seek funds for the National Tuberculosis & Respiratory Disease Assn. and its state and local affiliates, some other organizations now also employ Christmas seals of their own."

"Naturally this gives rise to some public confusion. We make no door-to-door solicitation. We have had some phone calls in which individuals have said they had contributed to Christmas Seals at their doors and believed we were trying to re-solicit through the mails."

"That is not the case. Our Christmas Seals are delivered by mail only. They may be distinguished from others by the copyrighted double-barred Cross of Lorraine appearing on every seal," Bavasi said.

Spring Valley Man Arrested For Weapon

A Spring Valley man, Robert Jones, 27, of 8712 Tyler st., was arrested last week on charges of possession of weapon to assault, and possession of loaded weapon in vehicle in the Casa de Oro shopping center.

Joe Dellamaestra, manager of the Shay When in Casa de Oro, hailed down a sheriff's car and reported to deputies that a man had threatened one of the customers in the establishment.

The suspect was just leaving the parking lot at that time, and the sheriff's patrol car followed him, stopping him on Campo rd.

While checking for other occupants of the vehicle, one deputy reportedly saw a bullet on the floor of the vehicle. The suspect admitted having a gun in the vehicle.

Tools Lost In Auto Burglary

Robert Klein, of 3533 Bentley dr., Spring Valley, was victim of an automobile burglary last week, when \$150 in tools were stolen from his unlocked camper in his driveway the night of Oct. 26.

Missing tools included four adjustable wrenches, a set of end wrenches, three different sets of sockets, a speed wrench, numerous small tools, and a 10-inch by 10-inch by 18-inch tool box, black in color.

Klein noted that most of the tools have been engraved with an electric pencil and have identifying marking on them. Marks include "Johnny", "John", "Klein", or "G. K."

The Department had two fire calls during the week. On Oct. 26 at 5:15 p.m., firemen went to Bonita st., where there was a case of illegal burning, but no damage.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

Is there a special way to say "I bought" in Spanish? Please present some phrases that will show me how to use and understand "bought."

"Yo compre" means "I bought." We may say "Yo compre ropa" for "I bought clothes," or "Yo compre un coche" for "I bought a car." "Compre" must be stressed on the last syllable and would appear phonetically as "kohm-PREH."

When we ask a question about buying to a third person we may say "Que compro usted?" for "What did you buy?" A response might be "Yo compre un regalo" for "I bought a gift." If we wish to ask "Where did you buy it?" we may say "En donde lo compre?" An answer might be "Lo compre en el centro" for "I bought it downtown."

To ask "When did you buy it?" we will start the phrase with "cuando" as seen in "Cuando lo compre?" which means "When did you buy it?" If we wish to respond "I bought it yesterday" we will say "Lo compre ayer." We may also ask "How did you buy it?" by saying "Como lo

compro?" A simple and direct answer could be "Lo compre con dinero" for "I bought it with money."

"Comprar" is the infinitive form for "bought." It means "to buy." We construct the first person, past tense, of "comprar" of removing the "ar" ending and adding "e" as in "compre."

Learn more about "compre" by expressing it in the following practice phrases that may be heard when you dial 276-2762. A recorded voice at that number will guide you in pronouncing them. Try it now as you go over the words.

IMPORTANT PHRASES:

Say "Que compro usted?" (keh kohm-PROH oo-STEHD)
for "What did you buy?"
Say "Yo compre ropa." (yoh kohm-PREH ROH-pah)
for "I bought clothes."

USEFUL PHRASES:

Say "Como los compre?" (KOH-moh lohs kohm-PROH)
for "How did you buy them?"
Say "Los compre con dinero." (lohs kohm-PREH kohm-dee-NEH-roh)
for "I bought them with money."

OTHER PHRASES:

Say "Cuando los compre?" (koo-AHN-doh lohs kohm-PROH)
for "When did you buy them?"
Say "Los compre ayer." (lohs kohm-PREH ah-YEHR)
for "I bought them yesterday."

The Big Red One soldiers departed from Forbes Air Force Base in Topeka, Kan., and landed at one of three West German airfields, Rhein Main, Ramstein, or Echterdingen.

A few hours later, the troops picked up weapons, tanks and armored personnel carriers, which had been prepositioned in Europe, and departed to the exercise site near the Czechoslovakian border.

During the five-day training exercise, the Division opposed aggressor forces from the 3rd Infantry Division, regularly stationed in Germany, and the German 35th Panzer Grenadier Brigade.

Reforger II was designed to test U. S. Army deployment from stateside bases in defending Western Europe with NATO Forces. A similar exercise, Reforger I, was held in Germany in January 1969.

Members of the 1st Division are scheduled to return to Ft. Riley in late October and November.

RIBBON CUTTERS — Some 120 happy and anxious Bancroft Elementary School children anxiously awaited the ribbon-cutting ceremony this past week to enter into what is called their outdoor classroom. The area was developed through a federally-funded project submitted by a committee and chaired by Jack MacGilvrey, a La Mesa-Spring Valley School District teacher.

The outdoor room is 70 feet x 70 feet and can be used by four classrooms at one time. New trees and shrubs and grass dominate the area. The space is available to all teachers and students of the school. Instructional aids find it most valuable in working with small groups within the area.

Local Soroptimists Host Attorney from Austria

Dr. Maria Kapsch, Attorney to the medical profession's association in Klagenfurt, Austria, and newly installed President of the Austrian Soroptimist Union, was honored guest of the Lemon Grove Soroptimist club this week. She was honored by regional soroptimists at a reception and dinner at the Atlantis Restaurant Sunday, and was given the "grand tour" of Southern California and Tijuana.

"People are outgoing and friendly here and ready to help others," she commented. "We tend to visualize Americans as having a rather superior attitude. I shall correct that impression when I go home." She said Austria is "Mid-Europe," and people there "perhaps because of much war and bad times" tend to try, first to take care of themselves and their families and then they wish to be left alone rather than to seek ways to help others. Yet every one gives to the "Kinderdorf" which is a fund to help children in Europe and other countries.

Aztec Cage Crew Picked

A 15-man squad, headed by five returning lettermen, has been selected by San Diego State basketball coach Dick Davis, for the coming season.

"We still don't have the really big man," commented coach Davis. "The tallest man we have is 6-6½, so we'll have to use every means possible to offset the lack of height."

"We do have good speed, though, which we should be able to use to help counter the height problem," he continued. "The Aztecs' open the 1970-71 season on the road with a Dec. 1 game against Texas Tech in Lubbock and a Dec. 3 match-up with Arizona State in Tempe."

Four of the five returning lettermen were starters last season so the Aztecs will have a veteran corps around which to build.

Von Jacobsen (6-4 guard) is back for his third season. Jacobsen has been State's MVP and leading scorer the past two seasons and appears a cinch to become one of the Aztecs' top five all-time scorers. Last year he averaged 16.4 points per game.

Monte Vista Harriers Dash Helix Title Hopes, 21-34, Tuesday Night

BEATING THE CLOCK — Monte Vista cross country runner Tom Lux, despite doubts by many cross country fans, proved himself the outstanding runner in the county Tuesday night as he beat Ed Mendoza and the Helix course record with a 9:37 time.

Tom Lux Beats Mendoza To Lead Team To Title

The Monte Vista Monarchs cross country team, led by a record-breaking performance from Tom Lux, beat the Helix Highlanders in what should have wrapped up the Grossmont League cross country title, Tuesday night at Helix.

The Monarchs, who are unbeaten in dual meet competition this season, took first place, third place, fourth place, fifth place, and eighth place to take the meet.

Lux took the tape 15 yards ahead of highly regarded Ed Mendoza, and broke the track record with a 9:37 clocking. Mendoza took second, but Monarchs Rick Duenez, Tom Sims and Gary Close took the next three positions to rule out any thought of an upset.

Helix runners Albert Sadoval and Richard Stump were the next Highlanders to come across the tape.

Tom Wendt, of Monte Vista came in after Stump to complete the scoring for the Monarchs, who totaled only 21 points, compared with the Helix total of 34 points.

After the Aztec Invitational, coming up this weekend, the Monarchs will host Mount Miguel in the last meet of the season.

If the Monarchs beat the Matadors, it will give them a perfect record on the year. If Mount Miguel manages to upset the undefeated Monte Vistas, however, the league race will end up a tie between Helix and Monte Vista, unless the Highlanders drop their final encounter with the hapless Grossmont Foothillers.

In other cross country action last week, Mount Miguel took the top four positions against Crossmont enroute to an easy win.

At the Mount San Antonio College Invitational meet held

last weekend, Monte Vista made off with third place, finishing only behind two Los Angeles area schools, North Torrance, and Clairemont.

Helix, running without Ed Mendoza, did not fare as well, collecting 15th place, and Mount Miguel, running a man short, finished behind Helix.

Mount Miguel saw their sophomore standout, Joe Badger, run in the sophomore competition, and Mendoza was resting up for Tuesday's encounter with Tom Lux and Monte Vista.

Chargers To Take On Surprising Broncos In Mini-Back Battle

Who is the best little running back in pro football?

Candidates are Dickie Post and Mike Garrett of the San Diego Chargers, both at 5-9, 190, and Floyd Little of the Denver Broncos at 5-10, 196.

The race will be decided Sunday at San Diego Stadium when the improving Chargers (2-3-2) collide with the surprising Broncos (4-3) in an important AFC West contest. Kick-off is 1 p.m.

All three candidates have impressive records. As the mainstay of the Kansas City Chiefs, Garrett had four brilliant seasons and rushed for 1,087 yards in 1967. Post won the AFL rushing title in 1969 with 873 yards. Little leads the AFC this year with 558 yards.

Charger coach Charlie Walter gives his thumb-nail recommendations: Garrett — "can do it all... run, catch and block;" Post — "breaks the bomb on run or catch;" Little — "outstanding burst."

Last Sunday it was Dickie the Dandy who made his first 1970 start after knee surgery to help spark San Diego to a 27-10 victory over the Cleveland Browns before 80,047 at Cleveland.

Post gained 44 yards rushing and 41 receiving and combined with Brad Hubbard, who gained 61 yards in his first start in five weeks, to give the Chargers their most impressive ground game of the season.

Area fans are cautioned to obtain their tickets early since the game has been a sellout in the past.

Padres to Serve Benefit Breakfast

A "playball" breakfast with Padre players acting as waiters will be held Saturday at the Crest Woman's club, in Crest.

The affair will start at 7 a.m. and continue until 1 p.m. according to Stormy Arntz, chairman of the event.

Proceeds will be used to re-equip Crest Youth Baseball teams. Equipment and uniforms valued at more than \$2,100 was lost in the back-country fire in September.

There are six teams each with a roster of 15 youths 6 to 17 years of age, Arntz said. Breakfast will consist of pancakes and sausage, orange juice and coffee — all you want, Arntz said.

Names of the Padre players will be known later in the week, he added.

Charge will be \$1.25 for adults, 50 cents for children.

Your buddy is your best friend, especially when you need assistance in the water. When the subject is swimming safety, always think in terms of two's.

Upsets Spice Junior High Cross Country

In La Mesa Recreation Department cross country action last week, La Presa Junior High School's seventh grade team upset Parkway Junior High, while Parkway's eighth graders knocked off favored Spring Valley.

In seventh grade action, Richard Bales and Cliff Davenport, of La Presa, took the top two positions, while team mates Steve Olafson and Bill Smith took sixteenth to complete the scoring for the winners.

Parkway got good grouping in the race, taking positions 6, 8, 9, 10, 12, 13, and 14, but didn't have the speed to best La Presa's score of 36 points. Parkway finished with 45 points.

La Mesa was third, and Spring Valley was fourth, getting 88 and 107 points respectively.

In eighth grade action, Dan Cardenas, of Spring Valley, took the tape, with Rolin Canfield one second behind. Canfield is from Parkway. Parkway ended up with 34 points and the win, while Spring Valley could do no better than second with 44 tallies. La Mesa got 79 points and third place, while La Presa finished last with 97 points.

The next meet is scheduled for Nov. 12 at Helix High School. Seventh graders will run 1 1/4 miles and eighth graders will run a 1 3/4 mile course.

Padres Book 81 Home Games; Season To Open Here April 6

The San Diego Padres will open their third National League season at home on April 6 against the San Francisco Giants.

The Padre 81-game home schedule will be played on 72 dates and features nine double-headers and three holiday contests.

Playing 11 of their first 16 games at San Diego Stadium, the Padres will be at home on 10 Saturdays and 10 Sundays during the 1971 season.

In an effort to ease the baseball week for San Diego fans, the Padres have limited Monday and Thursday home games. The team next year is scheduled for only five Monday dates at home, including three on holidays, and seven Thursday dates.

Four popular twin-night double-headers have been arranged as well as four Sunday double-headers and another twinbill on Memorial Day.

Other holiday home dates next season are Independence Day with the Cards and Labor Day with the Reds.

Starting times will be unchanged; 1 for day games and day double-headers, 6 for twin night double-headers and 7:30 for night games. Once again the Padres will play nine home games against rival Western Division clubs (Dodgers, Giants, Reds, Braves and Astros) and will face Eastern Division teams (Mets, Cubs, Phillies, Pirates, Cards and Expos) six times each at the Stadium.

After hosting the Giants April 6-7, the Padres are scheduled for a brief road trip and then return to San Diego

Movie Stars In Tennis For March of Dimes

Stars of the entertainment, sports and science world will attend the annual March of Dimes "Night With The Stars" dinner Nov. 14 at the Kona Kai Club.

The celebrity affair is the capping event to a two-week long tennis tourney on the Kona Kai courts where several of the television and movie stars will compete.

Tennis professional Ben Press already reports a strong field, including Ross Martin, Desi Arnez Jr., Bo Bridges, James Franciscus, Charlton Heston, Ed Ames, Dennis Weaver, Doug McClure and Clint Eastwood.

Mrs. John J. Einhorn, chairman of the entertaining benefit evening, feels that the program will be a tremendous success. "I'm sure many people in San Diego will welcome the chance to meet some of these important personalities and help contribute to a worthy cause," she said.

Social hour is set for 6:30 p.m. with the dinner scheduled for 8 p.m. Reservations can be made at the Kona Kai.

Mount Miguel Grid Squad Drops Seventh Straight Encounter, 41-0

By Walt Ekard

The Mount Miguel Matadors, playing their best football of the year, still couldn't hold the Grossmont offense as the Foothillers crushed the Matadors 41-0, last Friday night at Grossmont.

The Matadors showed a good defense in the game, and were it not for four interceptions, the Mats may have come considerably closer. As it was, Mt. Miguel, outclassed and outgunned, put on a fine showing, holding the score to 7-0, after one period, although the Mats suffered their seventh straight loss.

Matador Kevin Pullen, rotating from quarterback to halfback, gained 82 yards on the ground and completed four of nine passes for 50 yards. Sophomore Mark Dubransky couldn't find the range in six attempts in the air.

Dubransky had trouble handling the snap from center, and when passing, he was forced to ground the ball several times.

The Grossmont passing attack gained 271 yards as quarterback Matt Fahl found the range on numerous plays. Fahl had up to twelve seconds to pass the ball several times as the Matador pass rush rarely got through.

Nevertheless, Dave Rower, Jim Reese and Terry Klusman did a fine job in the defensive backfield for Miguel, with Rower gaining his fifth interception of the year in the first quarter.

Total yardage for the Mats

was 144 yards, which is not bad considering they were up against the league leaders.

Next week, the Matadors face Granite Hills at Miguel. It's homecoming for Miguel and the Eagles are not a major power.

The air-minded Eagles will be up against a tough Mt. Miguel secondary, and if the offensive line breaks down, the Mats could pull off the upset of the year.

On the Mt. Miguel offensive side, the Mats have Pullen in the backfield and Mark Schuff catching passes, and barring too many interceptions, should get on the scoreboard for the first time since Oct. 16.

Braves Kill Monte Vista Upset Hopes, Win 21-12

By Tom Blattler

The El Cajon Braves, led by captain and running back Mike Sloan, defeated the upset minded Monte Vista Monarchs, 21-12, at Valley Stadium last Friday night.

Sloan, a senior, ran for 142 yards in 30 carries against the Monarchs, and scored the first touchdown of the game.

El Cajon drove 85 yards in 13 plays, which was capped by Sloan's 13-yard run to the end zone. Boyd Thomas kicked the extra point, and El Cajon led 7-0.

Monte Vista then drove to its first touchdown. Senior Tony Harper and junior Tim Murphy, the Monarchs' two running backs, galloped down the field to the three yard line. Harper scored on a 3-yard plunge, but Monte Vista trailed by one point as the conversion was unsuccessful.

El Cajon's other running back, senior Steve Weitz scored the Braves' last two touchdowns from three and one yards out.

For Weitz's first touchdown, an El Cajon punt was fumbled by the Monarchs, and the Braves recovered on the Monte Vista 15.

Monte Vista's last touchdown drive started after El Cajon punted to the Monarchs' 39.

Senior quarterback Richard Weathers hit tight end Les Frank on a screen pass, and Frank rambled 44 yards to set up the touchdown. The Monarchs drove to the Braves' one yard line, and Harper scored. Weathers attempted a pass to Frank for the conversion, but the pass was incomplete.

Monte Vista's next opponent will be Helix at Helix Stadium tomorrow night. The Highlanders are led by running backs Steve Coover and Frank Woolridge. Helix is tied for third place with a 3-2 record.

With both Monte Vista and Helix suffering losses, the two teams should be ready to regain their winning ways, and the game should be interesting.

WINNER — Frank Weber of Lemon Grove was on the victory stand twice during the San Diego Figure Skating Club annual competition awards ceremonies Sunday night at House of Ice, winning the mixed dance event and placing third in the preliminary men's singles class.

Frank is the son of Mr. and Mrs. Walter Weber, 8534 Palm ave. This is his first year in figure skating competition.

Aztecs Hit The Road, To Play UOP Saturday

San Diego State's nationally-ranked Aztec football team will hit the road this weekend for the first time in six weeks. The Aztecs will journey to Stockton to tangle with the University of Pacific in a Pacific Coast Athletic Association encounter.

The Aztecs of coach Don Coryell, rated 14th in both wire service polls last week, will carry a 7-0 season record and a 3-0 PCAA slate into the contest. The host Tigers stand at 5-3 overall and 2-2 in the conference.

San Diego State is riding along with a 29-game unbeaten streak which includes 19 consecutive victories. The unbeaten string is the longest such mark in the nation.

"We're really expecting a good game from UOP," commented Coryell. "When they're up, they're very tough defensively — especially against the run."

"Offensively," Coryell continued, "we know they like to do a lot of passing. Their quarterback is a good one and he's one of the nation's top five passers so that should give some indication of his ability."

"We pass a lot ourselves so it could be quite a ball game," summed up Coryell.

The Aztecs took a giant step toward retaining the PCAA title they won last year last Saturday by demolishing Fresno State, 56-14. The win knocked the Bulldogs, previously undefeated in conference action, out of first place.

Here's \$1,750,000 for the Otay Municipal Water District for Improvement District No. 14

Because better water facilities were needed, the electorate authorized the Otay Municipal Water District to issue bonds. Bank of America and its associated investment dealers purchased these bonds to give your community the money it needs.

Interest rates on the bonds were subject to competitive bidding—a procedure required by law to obtain the lowest average interest rate for the taxpayer under current bond market conditions. Interest rates also reflect the credit rating of your district.

We, at Bank of America, bid on virtually all municipal bonds issued in the State—because we have confidence in the future of California and communities like yours.

One thing that gives us confidence is that you and your neighbors wisely recognize a demonstrated truth: municipal improvements benefit all citizens. The quality of a community parallels the quality of its municipal services. This is reflected in property values through the years.

Bank of America and its associates are proud to play a key role in the development of your community.

You may be interested in buying municipal bonds as a personal investment. They offer the advantage of tax exempt income and are available in denomination of \$5,000. You can purchase municipal bonds through your local Bank of America branch—or contact our Municipal Bond Department in San Francisco or Los Angeles.

Crest Community Center for Fire Victims will hold a rummage sale at Crest Elementary School, 2100 Suncrest Blvd., next Saturday and Sunday, November 6 and 7, from 10 a.m. to 4 p.m.

Mrs. Sarolta Sperry, coordinator at the center, said that

clothing previously donated but not yet disbursed will be sold at "extremely nominal prices" and proceeds will go to meet specific clothing needs of the burned out families.

"The public is urged to come and take advantage of the bargains," Mrs. Sperry said, "some items priced as low as 10 and 15 cents."

No money from the sale will be paid directly to the fire victims. She explained that a chit will be issued to verified families to enable them to buy specific items of essential clothing. Money from the sale will be used to pay the stores where the purchases are made.

Such items as undergarments and properly fitting shoes are badly needed," she said, "and now we must find funds to provide these individual needs."

Goodwill Marks 'Thanks-for-Giving'

Goodwill Industries of San Diego County has set November as the "Thanks-for-Giving" month. The local observance is a part of a nationwide thank-you for public support, and the message will be delivered through all public media.

Eugene Morrill, executive director of San Diego's Goodwill Industries, said Thanksgiving is a very special holiday to his organization's handicapped workers.

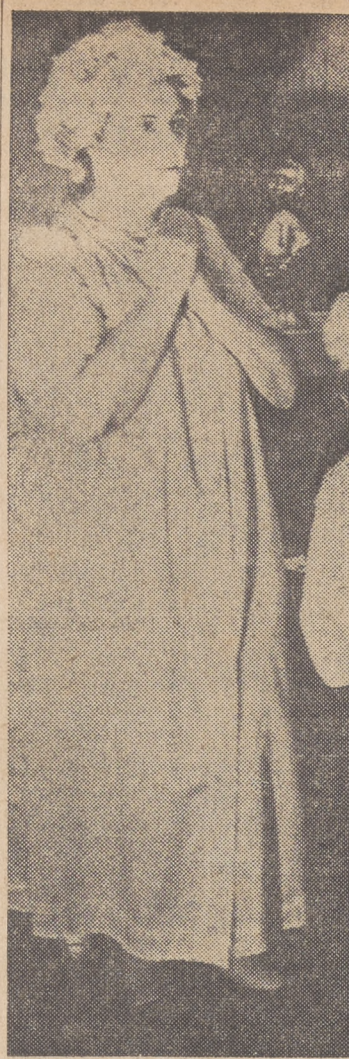

"Without the assistance of the people of this community," he said, "many of our workers might not need a day of rest from their labors, because they would have no jobs. They might not have a turkey dinner, because they would have no salary to spend."

Contributions of usable clothing and household articles to Goodwill Industries have provided material benefits for the handicapped, such as job training, rehabilitation programs, jobs and income. Public support through such donations have also given these handicapped people self-respect, dignity, self-support, independence and a feeling of usefulness to the community.

Collectors Given Warning About Trash Containers

Students collecting aluminum cans in a recycling campaign have been warned to be careful while collecting.

Reports have been received that many youngsters have been going through neighborhood trash bins searching for the cans.

This method of collecting cans can cause students to pick up diseases, be trapped in the container, or be injured by a lid.

Large commercial containers, while often sprayed with chemicals to kill bacteria, attract flies and other disease-carrying organisms which can be a hazard to youngsters.

District Delays Bond Election; Expels Ten For Drug Violation

A March bond election was ruled out, and ten students were expelled for drug policy violations Monday night at the Grossmont Union High School District Board of Trustees meeting.

According to trustees of the district, more time is needed to make the public aware of needs before a bond election can take place. The bond issue, for an undetermined amount, has been proposed to finance construction of a tenth high school and to expand existing facilities.

Indications are that the earliest possible date for the election will be June of next year.

District Superintendent Austin R. Sellery recommended to the trustees that the election be pushed back beyond March to insure public information about the bond.

In the drug cases trustees expelled ten students, but held over the case of one student pending a court hearing.

The ten expelled included six boys and four girls, and brought the total number of students expelled under the policy to 502. During the same period — nearly four years — the board has lifted expulsions of 419 students.

Of the drug violations, six were on-campus cases, and four were for off-campus in-

fractions.

Seven of the ten students were expelled for involvement with dangerous drugs, and the remaining three were expelled for marijuana violations.

The youngsters included three students from Monte Vista High School and one from Mount Miguel. Of the ten, three were seniors, two were juniors, four were sophomores, and one was a freshman.

The expelled students will not be admitted to any school in the Grossmont District until they are re-admitted.

Know Your Facilities Is Association Theme

Know your local facilities and services is the current theme of the Licensed Vocational Nurses League of California, District 2 monthly meetings.

Recovery Inc., a self-help group for nervous persons, will be featured November 10.

Meetings are held on the Guadalupe Clinic level D of Mercy Hospital on the second Tuesday of every month. All vocational nurses and student nurses are welcome to come and learn about their communities.

ANCHORS AWEIGH — This 16-ton motorsail was seen cruising through the streets of Lemon Grove Tuesday morning. Actually, it was being towed by a truck to Minnick Specialties, of Lester Ave., where Don Minnick will overhaul and remodel the vessel. Minnick, who owns the shop and the boat, says he plans to take a cruise on the boat to Mexico when it is completed.

Tax Bills Show Increase

County tax bills are out. Most local residents received theirs on Saturday and most of them reflected the increasing cost of government.

The bills were due and payable on November 1 but penalties will not be charged until December 10. On that date a six per cent penalty plus \$3 will be added to the first installment. The second installment penalty date is due April 10, 1971. Similar penalties will be charged for late payment.

James E. Jones, County Tax Collector said that 404,000 tax bills were issued last week — 13,000 more than the year before. The bills amounted to \$275,758,000 — up more than \$55 million than the preceding year.

Not receiving tax bills does

not excuse the property owner from payment or penalty. If the owner has not received his bill by November 12, he should notify the Tax Collector's office. The number is 234-8813, ext. 331.

Auxiliary Asks Donations For Christmas Time

Christmas preparations started several weeks ago in the Edgemore Geriatric Hospital Auxiliary workrooms, according to a spokesman for the auxiliary.

Mrs. Rex Budel, Christmas chairman for the group, along with her committee, have been wrapping boxes and planning decorations for the 540 long-term patients at the hospital, many of whom have no relatives to remember them at Christmas.

The auxiliary is asking for donations of gifts for the patients.

All contributions are accepted, but the auxiliary does not need ribbons, bows, or wrapping paper. Contributions can be sent to the auxiliary office, or will be picked up by Mrs. Budel.

For further information, call Mrs. Budel at 469-7688.

Honest George Moves

George Fickas, owner of Honest George Tires, has moved his shop from 7561 North ave., Lemon Grove, to a better location, at 7620 North ave., at the corner of Buena Vista ave.

His new shop has more space, and better exposure to traffic, according to Fickas. The move was completed Monday, and Fickas says that he will now be able to deal in brake work and wheel alignments.

LETTERS

Letter Cites Traffic Lights

Dear Editor,

With regard to Mr. Leonard Lucy's letter of last week and the signal lights near Mt. Miguel High School.

Apparently Mr. Lucy has never needed to make a left turn onto Sweetwater road from Blossom lane. If he had, he would realize just how important and necessary the signal lights are at the intersection. I can't vouch for the erratic behavior of the lights at 2 a.m. as I'm not on the road at that time of day, but I have sat on Blossom lane

some mornings at 7 a.m. (prior to the lights being installed) for as long as 15 minutes waiting for a break in the traffic so I could turn left onto Sweetwater road.

I sympathize with Mr. Lucy's inconvenience. I'm sure it is irritating to wait an unduly length of time at an early hour when there is little traffic. But if Mr. Lucy ever had to use the intersection from the direction we use it, during heavy traffic hours, he would realize how much we appreciate the spending of our tax dollars to install the signal lights.

May I go on record as one who does not think it was a waste of money, but a vital public service.

Sincerely,
Maxine E. Ek

Cabbie Robbed, Put In Trunk Friday Evening

A Yellow Cab driver, Roger Louis Brecko, of 3815 Utah st., San Diego, was robbed of \$35 and was locked in the trunk of his cab Friday night, according to reports from the Sheriff's Department.

Brecko picked up two Negro men and a white man Friday night in San Diego, and was told to take them to El Cajon. The three changed their minds and directed him to Lemon Grove, where they took his money and locked him into the trunk.

The three then drove the cab back to San Diego and abandoned the cab. Brecko was released later by a passerby.

Dear Editor:

Recently I lost several articles from my wallet and I had such marvelous cooperation from the Sheriff's Office in Lemon Grove that I want the people in my town to know how wonderful the officers are. Especially Deputy Norman Crawford.

I have had the articles returned and want to thank publicly all concerned with the search.

All 1,000 boxes of apples were sold by early Saturday afternoon. We are sorry that some people had to be turned away because we had no apples left.

We would also like to thank the community for their patronage of our Apple Days; they are helping us to underwrite many local youth activities during the coming year.

Sincerely yours,

Dear Editor,

In regard to the pollution problem we have, we desperately need fresh air and clean water. Where would we be without air and water? Dead that is where we would be. We have to do something about this situation.

If people would spend a little more money to buy smog devices for their cars, the air would be cleaner.

If manufacturers would spend more money to have their wastes hauled away in a truck instead of dumping it in our lakes and oceans, our water would be cleaner.

A few weeks ago we had a severe fire in Southern California and we had ashes and soot in the air and water. Soon, if we don't do something, all the country will have contaminated air and water except this time it won't be from a fire, it will be from pollution and it will be all over the earth.

Sincerely,
Richard Rodriguez

Charger-Dolphin Game is Draw

The Chargers suffered a mid-week tie when Kicker Mike Mercer could only come up with a 9-9 standoff in a two-man kick-score game Wednesday.

Mercer's opponent was Cindy, the dolphin, at Sea World. Cindy, a star performer at the Sea World Lagoon, is probably the world's champion football "kicker". Mercer made three perfect place kicks scoring three points each. The ball was then tossed into the water and Cindy flipped it over the goal posts enough times to make the score a tie.

How did she flip the ball? With her tail, of course.

Sportswriters and sportscasters were guests at the event. Among the sports foreigners was Jack Sheedy, photographer for SPORTS ILLUSTRATED who was sent here from New York for the assignment.
